Students of the Month

Congratulations to our September Students of the Month! The following students were chosen by their teachers for exemplifying our RMS PRIDE values: Positivity, Readiness, Integrity, Diversity, and Empathy.

Grade 6: Emma Briggs

Grade 7: Brooklyn Woodworth

Grade 8: Zachary McEntee

Thank you, Emma, Brooklyn, and Zachary for making our school a better place!

Staff and students participated in a Terry Fox fundraiser walk on Sept. 27.

RMS Best Buddies program is back for another year of fun and friendship!

Best Buddies is an in-school friendship club that focuses on fostering friendships between students both with and without learning differences. We want students to recognize their similarities, not their differences, and learn to accept everyone for who they are, bonding over what they have in common. We meet on a weekly basis and participate in a variety of fun activities. Best Buddies is open to everyone!

If you have any questions ask Mrs. Hanscomb or Mrs.

Muise or better yet, stop in and join us on Thursdays at lunch in the Healthy Living Room.

Reminder !

Students:

Be sure to bring your **water bottle** to school, as well as any **utensils** needed to eat lunch.

GSA starting soon at RMS!

GSAs are student centered groups that create a safe and accepting environment for 2SLGBTQ+ students and their allies. Our primary focus is to promote allyship for all marginalized communities.

Research shows that a GSA club leads to "positive and lasting effects on student's health, wellness, and academic performance. It can also protect students from harassment based on sexual orientation or gender identity and improve school climates for all students in the long-term." - gsanetwork.org

GSA is open to everyone. Stay tuned to announcements and check out the club hub for more information.
